ABOUT ME

My name is Dylan González Fernández. I completed my studies at the Professional School of San Isidro in Heredia, successfully finishing my secondary education and obtaining a diploma in Graphic Design as well as my Bachelor's degree. I took an English course at the Language Cultural Center in Heredia.

I have knowledge in PowerPoint, Excel, Word, Outlook, and OneNote. I am a person who loves to learn and teach, enjoys working in a team, is attentive, hardworking, helps others, and has creative ideas to contribute to the work environment and problem-solving. I can work under pressure and handle tasks in an organized and efficient manner.

JOB EXPERIENCE

I have worked at the company MF (Maderas Fernández) as a Graphic Designer, handling customer emails, managing accounts in Excel, and composing emails for clients in Word.
